PRESS RELEASE “POOCH PANTRY”

We all know that the economy is very bad. Turn on the TV, read the news in the paper or online or listen to the radio. Companies are closing and cutting jobs everyday. Unemployment lines are getting longer. Homes are being lost to foreclosure. Putting food on the table and paying the essential bills is becoming harder and harder. Food pantries are trying to help everyone that they can so that there is food on the table to eat, but what about that faithful companion? The **dog**. When putting food on the table is difficult, it is even harder to feed the animals when the unemployment check barely covers the human needs. Shelters and rescues are filling up. Pets are being dumped and let go stray. Can anyone help? YES!

After receiving phone calls from people asking us if we know of any place that will help them feed their dogs, we have decided that YES! YES THERE IS A PLACE!

B.C. Dog Training and B.A.R.K are willing to help these families and we are asking you to help us help them!

B.C. Dog Training and B.A.R.K are running the **Pooch Pantry Dog Food Drive at B.C.'s location in Mundelein, IL**. We will also be accepting cat food. We are asking for dry dog and cat food, canned dog and cat food, biscuits and/or any treats that you might not need or can afford to donate! Please help us fill the **Pooch Pantry** for those less fortunate.

Not sure what food to donate? Don't want to lug around big bags of food? **We will also be accepting gift cards from all the pet supply stores in the area! (Cash/check donations will NOT be accepted.)**
